## **Annual College Scholarship Application**

The New York Beef Producers' Association will make a \$1000 scholarship available to a current, full time college student who is planning a career related to the agricultural and cattle industry. Student must be a New York resident.

Nothing is more important than providing a sound education for future producers. Those planning to work in the cattle industry in this century will need to be proficient in animal and crop sciences, communications, and business economics, in addition to animal science. The cattle industry is in a time of constant change. This is why the New York Beef Producers' Association is providing the scholarship to help a deserving young cattleman or cattle woman to finance their education.

We are grateful to the support of our membership in developing funding for this award. There is no question that education, along with practical experience, is the key to the future competitiveness of the U.S. cattle industry. Offering this scholarship is just one of the ways that the NYBPA is helping prepare and develop tomorrow's leaders. The winner will be announced at the NYBPA Annual Winter Conferences 2021 date TBD.

**Applicant should submit the application form, their responses to all the questions, and official copy of their college transcript, first semester freshman should provide a college reference, to the NYBPA Office, Brenda Bippert, 290 Four Rod Road, Alden, NY 14004 by November 1, 2020.**
