Cattlemen's Corner

A Message from NYBPA President

On behalf of myself, our board, and Becky, I would like to welcome you all to browse through the 2025-2026 NYBPA directory. This directory is a culmination of the passion, hard work, and dedication of our membership, breeders, producers, and affiliates. I truly believe that our association is the strongest that it has been with a focused and driven vision for moving forward.

I hope this directory connects you to a new breeder, new mentor, new source of local beef, or helps you find an event or program that our association offers to help you. You can find a source for each of the above mentioned in these pages!

We are excited for the future and are looking forward to connecting with and providing opportunities for members, new and old, in the coming years. Don't hesitate to reach out; your next connection could be just a phone call away.

To our members and all involved – thank you for your support and dedication, which is made evident in this directory. None of it is possible without each and every one of you.

Thank you,

Zack Welker

NYBPA 2025/2026 President

COVER PHOTO was captured by Philip Paradis of Simme Valley, Groton, NY. This photo was the grand prize winning photo of the 2025 NYBPA photo contest. Congratulations!

More THAN AN A.I. COMPANY

At Select Sires, we are committed to developing market opportunities for our customers to capture increased value for their genetics and management. Our first priority is to maximize the number of pregnancies with superior fertility products, services and genetics, but we don't think our job is done until we help you capture the value you have just created.

We are proud to collaborate with these partners to offer their special marketing channels to you.

We are more than an A.I. company.
We are here to help you capture VALUE for your calves.

Pleasant View Farms **RED ANGUS**

Pleasant View Farms Red Angus is a registered herd that despite being relatively young, has big intentions. Our mission is producing **top quality Red Angus** cattle. Our goal is to raise and breed our animals to benefit any operation. Whether you are a commercial cattleman or someone looking for a competitive show heifer, we can help. We strive for animals that are balanced well by breeding for performance, disposition, and phenotype. Through purchasing excellent females and utilizing resources such as artificial insemination and embryo transfer we are aiming to produce **nothing but the best**. We also raise and sell premium quality beef available for retail purchase on our farm or in bulk by 1/4 and 1/2 share.

“Producing animals that are balanced by combining the best of performance, maternal, and phenotype.”

The Carpenters, with sons, Laine & Landon, own Butternut Brook Livestock located in Ellington, NY. The herd consists of approximately 30 head of commercial Simmental cattle & a couple Herefords. They continue to renovate & convert the dairy farm that Michael grew up on to accommodate the beef herd. The farm is a member of the NYS Cattle Health Assurance Program. They hosted a BQA Training in October 2020 for Region 2 & both are BQA Certified. Michael also owns & operates Carpenter Trucking, a dump truck & excavation business. Shannon is employed by NYS Dept of Agriculture & Markets, Division of Animal Industry as a Field Veterinarian for WNY. She is also a certified trainer for BQA & BQAT. Laine is a member of NYJBPA & Chautauqua County 4-H. He will be showing & selling market steers in 4-H. The farm has been selling animals for freezer trade since 2014. They have also sold steers to 4-H members since 2017.

Our maple syrup operation expanded into beef production when my daughter Ruth and son Joel showed an interest in raising Black Angus. We expanded when Grow NYC needed more beef producers for the green markets of New York City. We specialize in certified USDA organically raised grass-fed and finished Black Angus and Scottish Highland beef. We sell primarily retail from our sugarhouse in Hobart, Union Square Green Market in NYC, and online through our website. This year we also will be introducing wholesale where the buyer can get 1/4, 1/2, or whole animals, cryo-wrapped for their freezer. We are grateful to hear from the many who stop by our tent at Union Square in NYC that we have the best tasting beef they've ever had.

Potter Family Ranch
607-435-5303

www.potterfamilyranch.com
Potter Family Ranch is home to 115 crossbred beef cows. Joe and Meg Potter and Bill and Patsy Moody sell 12-15 fat steers per year for freezer beef and plan to sell excess stocker calves. Excess dry hay and baleage is also for sale. Family youth are starting to show beef locally. The Potters and Moodys take pride in raising healthy, calm animals.

Tuckaway Farm LLC
315-898-3175

Tuckaway Farm LLC is a small, family-run operation dedicated to raising high-quality Simmental cattle and warmblood sport horses. We focus on breeding functional, sound, and competitive show prospects that excel both in the ring and on pasture. Our warmbloods are carefully bred and developed to compete at all levels in dressage and hunter-jumper disciplines. Whether in the cattle industry or the equestrian arena, our commitment to quality and performance ensures top-tier animals for exhibitors and producers alike.

Our focus looks forward to the years ahead, providing the kind of quality cattle that will be rewarded at the top of the market. All our females and service sires are genomically tested with enhanced EPDs. We strive for excellent maternal females that also have top quality carcass merit. You can have both. These traits open premium market channels such as the Top Dollar Angus Program. This can reward you whether you're selling feeders, marketing your cattle through freezer trade, or on a grid basis. We strongly believe the beef industry will increasingly move beyond just hide color to reward well managed verified superior genetics.

We have breed leading steedstock and frozen genetics available by private treaty.

We are continually looking for new farms with high standards of quality and consistency. Is this you?

Overview of the program requirements:

- All natural, grain-finished cattle
- Cattle cannot stay in the program if they receive antibiotics
- Cattle cannot be given growth hormones
- Cattle cannot be fed any animal by-products
- All cattle require a minimum of 250 square feet with outside access
- All farms meet Global Animal Partnership (G.A.P.) Base Certification (or higher) standards

What the cattle feeder provides:

- Facilities
- Feed and water
- Daily health checks
- Treatments when required
- Compliance with recordkeeping requirements, including tracking of any health-related issues and death loss
- Participation in periodic third-party inspection

What Pineland provides:

- Vaccinated and weaned feeders
- Coordination of logistics, as required
- Assistance with sorting and loading of cattle
- Cover the cost of the third-party inspection and assist with all aspects of the inspection process

For More Information:

Call Adam Wivell at 301-606-2279 or email at awivell@pfnmeats.com—we look forward to discussing your interest further!

Our farm consists of Red Angus, Angus, Herefords and crossbred cows. We raise the calves and are marketed as feeders or finished market animals. We focus on quality calves and feed under a naturally raised program. We will sell some of the finished steers or heifers to local customers in our freezer trade business. we have registered Red Angus heifers and bulls on a limited basis. FaceBook: @hiddencanyonfarm

SMITH, Billy & Emily

3425 Cole Road, Marion, NY 14505

gooseman.emily@yahoo.com

We are a small cow-calf operation focused on quality club calves and registered Hereford genetics. Check with us for your next show steer or heifer. We always welcome visitors throughout the year - please call or text ahead.

Harmony Acres Farm is a 10 acre operation where poultry and livestock are raised mainly for farm to table consumption. We breed and raise registered Irish Dexters for meat and stock. Dexters are a wonderful addition for small farms, as they are a dual purpose cow that have ease in birthing and do not require large areas for grazing.

National Cattlemen's
Beef Association

Initiated 1898, the National Cattlemen's Beef Association is the oldest and largest national trade association representing America's cattlemen and women. With more than 25,000 individual members and 60 state and breed affiliates, NCBA serves as the collective voice of the U.S. beef industry. We strive to advance the economic, political, and social interests of the U.S. cattle industry and to advocate for its policy positions and economic interests.

With less than 2% of American's producing the food for the entire US and beyond, we must stand together. Anyone with a stake in the beef and cattle industry needs to be a member of NCBA to ensure our voices are being heard loud and clear.

NCBA is working every day to fight for your rights with policy created by cattle producers, for cattle producers. To continue our fight, we need your help. Join NCBA today and help protect the future of our industry.

Beyond the political insurance that NCBA provides, members also receive exclusive benefits and publications. **Join NCBA today and receive a FREE 1L bottle of Cydectin Pour-On from Elanco and an NCBA pocket knife!**

Mary and I are breeders of registered Black Angus cattle for over 40 years. Dewey was the past president of the NYAA and NYBPA. Our closed herd is NYSCHAP Certified and Johnes free at the highest level 6+. "AI" breeding is our primary approach for our cow-calf operation. Breeding stock is always available with the feeders for sale in the fall. We bred the 2015 top indexing Angus bull at the Midland Bull Test. We are 7 miles NW of Penn Yan. Quality, health, and performance is our goal.

Beef Checkoff Remittance for Local Beef Sales

For every head of cattle you sell, by law, \$1 dollar is owed to the Beef Checkoff for promotion, research, and education programs that help keep beef at the center of consumers breakfast, lunch and dinner plates. Did you know the Checkoff Dollar is also due when you custom harvest your cattle and sell the beef? Even those dollars fund initiatives like the iconic *Beef. It's What's for Dinner.* campaigns, sustainability and beef safety research, nutrition messaging, and much more

If you sold beef this year, and have not paid the Checkoff dollar, you can fill out the form below and remit with payment to the New York Beef Council, C/O NBT Bank, 1148 Erie Blvd. West, Rome, NY 13440. If remitting for the whole year, use the month remitted as the date harvested.

SALE INFORMATION:

Date cattle harvested: _____ State of origin*: _____

of cattle harvested for beef sales: _____ x \$1 per head = \$ _____

Seller Name: _____

Farm Name: _____

Phone: _____ Email: _____

Address: _____

City: _____ State: _____ ZIP: _____

Signature: _____

*states where cattle were located for 30 days prior to harvest

Questions? Contact New York Beef Council at (315) 339-6922

BECOME AN ALLIED SPONSOR OF THE NEW YORK BEEF PRODUCERS ASSOCIATION

To be a member driven voice to advance, protect, and preserve the New York Cattle Industry through producer education, youth development, and legislation.

The New York Beef Producers' Association (NYBPA) is voice of New York's Cattle & Beef Industry. NYBPA is committed to educating and promoting New York's cattle producers.

By teaming up with NYBPA as an Allied Sponsor, you are demonstrating to the cattle producers of New York that like them, you care about the direction of the Beef Industry within our state.

Your sponsorship allows us to continue to further the education of NY's beef producers and youth through events, publications, and resources made available and by helping us promote beef to our consumers. NYBPA's producers are strongly encouraged to support our Allied Sponsors by utilizing their products and services.
