President's Message

Hello and thank you for electing me president of the NYBPA. I look forward to working for the members of this great organization.

As you scroll through the pages of this directory you will find that in NY we have a very diverse beef industry. Some producers are commercial cow calf, some registered seedstock, maybe they operate a feedlot or a freezer beef operation. The farm sizes may vary from a few cows to thousands. There will be ads for seed, feed, equipment and management solutions to add in the daily care for your beef enterprise. All these members, corporate sponsors, and organizations help shape the NYBPA. So if you know of a fellow producer or someone starting out in the beef industry encourage them to join the NYBPA. I would also encourage all our current members to get involved whether it be to help plan a regional event or help at a Junior Beef Producer's event.

Over the years I have enjoyed learning more about the beef industry and meeting many great people through the activities of the NYBPA.

Thank you,
Skip Lear
NYBPA 2023/2024 President

NEW YORK BEEF
 PRODUCERS' ASSOCIATION

NYBPA REGIONS

REGIONAL OFFICERS

Officers subject to change with elections held at each respective regional annual meeting. Please see website for most up-to-date regional list.

Region 1- Erie, Genesee, Niagara, Orleans and Wyoming County

Chairman- Tyler Strub, tstrub89@yahoo.com

Co-Chair- Andy Beach, andybeach28@yahoo.com

Secretary/Treasurer- Alana Welker, alana.keppler@gmail.com

Region 2- Cattaraugus and Chautauqua County

Chairman- Ted Card, lvg1259@netsync.net

Co-Chair- Chelsey Nelson, valleyviewfarms@hotmail.com

Secretary/Treas- Sherry Charlesworth, sherrycharlesworth@hotmail.com

Region 3- Livingston, Monroe, Ontario, Seneca, Wayne and Yates County

Chairman- Allison Thomas, allisonthomas18@yahoo.com

Co-Chair- Amanda Schwartz, amanda.schwartz18@yahoo.com

Secretary/Treasurer- Karen Clark, cowsnkids@hotmail.com

Region 4- Allegany and Steuben County

Chairman- Barb Benjamin, lightenliz62@yahoo.com

Co-Chair- Vacant & Looking for New

Secretary/Treasurer- Jill Harmon, harmon402@aol.com

Region 5- Cayuga, Madison, Oneida, Onondaga and Oswego County

Chairman- Tim Pallokot, ticapa12@yahoo.com

Co-Chair- Vacant and Looking for New

Secretary/Treasurer- Donna Stone, donnastone1109@gmail.com

Region 6- Broome, Chemung, Chenango, Cortland, Schuyler, Tioga and Tompkins County

Chairman- Ben Brooks, brooksanguscattle@gmail.com

Co-Chair- Brandon Riehlman & Glenn Forshee, glenn.sally@gmail.com

Secretary/Treasurer- Marissa Phelps, marissaphelps600@yahoo.com

Building healthy futures starts with building healthy herds.

If you've ever needed more clarity on which vaccines and medications to give or exactly when to give them, Building Healthy Herds by Zoetis can help. Our new, easy-to-use health planning tool can give recommendations on vaccinations, dosage and even timing. It's expert-guided health management, all in your hands.

Build your plan today at BuildingHealthyHerds.com

\$10/jr or \$25/family
NYJBPA

NYBPA Purposes and Goals:

- Encourage friendly exchange of ideas among members.
- Promote and protect the interest of beef producers in New York State.
- Aid members in the purchase, sale and breeding of quality cattle.
- Cooperate with Cornell Cooperative Extension, NYS Department of Agriculture and Markets and other agencies.
- Encourage youth participation in the beef industry.
- Promote beef to consumers and create a positive image of the beef industry to the general population.
- Work with lawmakers and the Empire State Council of Agricultural Organizations to create policy that benefits agriculture in general and the beef industry specifically.
- Affiliate with the National Cattlemen's Beef Association to effect policy decisions and promote the industry on a national level.

NEW YORK BEEF
PRODUCERS' ASSOCIATION

AROVYN[®]
(tulathromycin injection)
Injectable Solution
Antibiotic

All the expertise
and support of
Merck Animal Health
plus the benefits of
tulathromycin.

Available in 50, 100, 250 and 500 mL vials

Target bovine respiratory disease with *confidence*.

Access to the industry's leading technical service team, with extensive expertise in managing BRD

Part of the industry's most comprehensive antimicrobial portfolio

Pharmaceutical equivalence to the pioneer product, with identical amounts of the same active ingredient

Backed by continuous investment in real-world BRD and animal health solutions with an eye to the future

AROVYN delivers

- 14 days of therapy in a single dose¹
- Rapid absorption with peak plasma concentrations generally occurring within 15 minutes¹

For beef and non-lactating dairy cattle

- Treats and controls respiratory disease caused by all four major pathogens, including *Mycoplasma bovis*
- Treats pinkeye and foot rot

For suckling, dairy and veal calves

- Treats respiratory disease caused by all four major BRD pathogens

¹AROVYN product label, Clinical Pharmacology section.

➔ AROVYNforBRD.com

DOSAGE & ADMINISTRATION: Inject subcutaneously as a single dose in the neck at a dosage of 2.5 mg/kg (1.1 mL/100 lb) body weight (BW). Do not inject more than 10 mL per injection site.

IMPORTANT SAFETY INFORMATION: AROVYN has a pre-slaughter withdrawal time of 18 days in cattle. Do not use in female dairy cattle 20 months of age or older. Do not use in animals known to be hypersensitive to the product. See Full Prescribing Information.

PLEASANT VIEW FARMS *RED ANGUS*

Pleasant View Farms Red Angus of Somers, CT is a registered herd that despite being relatively young, has big intentions. Our mission is producing top quality Red Angus cattle. Our goal is to raise and breed our animals to benefit any operation. Whether you are a commercial cattleman or someone looking for a competitive show heifer, we can help. **We strive for animals that are balanced well by breeding for performance, disposition, and phenotype.**

Through purchasing excellent females and utilizing resources such as artificial insemination and embryo transfer we are aiming to produce nothing but the best. We also raise and sell premium quality beef available for retail purchase on our farm or in bulk by 1/4 and 1/2 share.

The Carpenters, with sons, Laine & Landon, own Butternut Brook Livestock located in Ellington, NY. The herd consists of approximately 30 head of commercial Simmental cattle & a couple Herefords. They continue to renovate & convert the dairy farm that Michael grew up on to accommodate the beef herd. The farm is a member of the NYS Cattle Health Assurance Program. They hosted a BQA Training in October 2020 for Region 2 & both are BQA Certified. Michael also owns & operates Carpenter Trucking, a dump truck & excavation business. Shannon is employed by NYS Dept of Agriculture & Markets, Division of Animal Industry as a Field Veterinarian for WNY. She is also a certified trainer for BQA & BQAT. Laine is a member of NYJBPA & Chautauqua County 4-H. He will be showing & selling market steers in 4-H. The farm has been selling animals for freezer trade since 2014. They have also sold steers to 4-H members since 2017.

Our maple syrup operation expanded into beef production when my daughter Ruth and son Joel showed an interest in raising Black Angus. We expanded when Grow NYC needed more beef producers for the green markets of New York City. We specialize in certified USDA organically raised grass-fed and finished Black Angus and Scottish Highland beef. We sell primarily retail from our sugarhouse in Hobart, Union Square Green Market in NYC, and online through our website. This year we also will be introducing wholesale where the buyer can get 1/4, 1/2, or whole animals, cryo-wrapped for their freezer. We are grateful to hear from the many who stop by our tent at Union Square in NYC that we have the best tasting beef they've every had.

We are continually looking for new farms with high standards of quality and consistency. Is this you?

Overview of the program requirements:

- All natural, grain-finished cattle
- Cattle cannot stay in the program if they receive antibiotics
- Cattle cannot be given growth hormones
- Cattle cannot be fed any animal by-products
- Cattle require a minimum of 250 sq. feet with outside access
- All farms meet Global Animal Partnership (G.A.P.) Base Certification (or higher) standards

What the cattle feeder provides:

- Facilities
- Feed and water
- Daily health checks
- Treatments when required
- Participation in periodic third-party inspection
- Compliance with record-keeping requirements, including tracking of any health-related issues and death loss

What Pineland provides:

- Vaccinated and weaned feeders
- Coordination of logistics, as required
- Assistance with sorting and loading of cattle
- Cover the cost of the third-party inspection and assist with all aspects of the inspection process

For More Information: Call Adam Wivell at 301-606-2279 or email at awivell@pfnmeats.com—we look forward to discussing your interest further!

Kinderhook Creek Farm- The Eckhardt Family is a family owned business with a cow-calf Angus herd started in 1967 by George and Jean Eckhardt. The farm is primarily a vegetable and cash crop farm with the Angus beef herd grazing non-crop pasture land and being fed hay and unsaleable vegetable crops. The herd is split with half calving in March and April- the other half in September and October. Feeder cattle are sold in December and May.

NYBPA Supreme Beef Female Program

One Day Beef Show at New York State Fair
New York State Supreme Champion and Reserve Beef Heifer
New York Supreme Champion and Reserve Beef Cow/Calf pair.

This program is open to all county fairs in New York State. Each county fair Supreme Female will receive a banner and a custom sized vest sponsored by businesses or organizations. **County Fair Beef Superintendents must contact the NYBPA Executive Secretary to request a sponsorship for your county fair open beef show. If the fair does not have an open beef show, then the youth beef show qualifies.** You can contact NYBPA by email at nybeef@nybpa.org or phone- 716-432-9871. County Fairs that occur after the State Supreme Show date can still be involved in the program. They will receive sponsorship for the County Supreme Beef Female but will not be in the show at the NY State Fair.

The Supreme Female of each county fair will be invited to join other county Supreme Champions to compete at the "SUPREME CHAMPION BEEF FEMALE SHOW" at the New York State Fair, on Beef Day, the first Tuesday of the fair. PURINA ANIMAL NUTRITION sponsors the Supreme Champions and the Reserve Champions. Supreme Champion Heifer and Cow/Calf will receive \$1000.00 each. Reserve Champion Heifer and Cow/Calf will receive \$500.00 each. Champion and reserve champion winners will also be awarded a trophy from NYBPA (Supreme Champions are revolving trophies) and a banner from the New York State Fair.

OFFICIAL RULES:

- **You must be a member of either the NYBPA or NYJBPA to participate in the Supreme Show at State Fair. Membership must be paid prior to the Supreme Show. At the time of winning County Fair Supreme Female, if the winning exhibitor is NOT an NYBPA member, they will need to pay the association membership fee as well as a \$50 show entry fee in order to participate in the Supreme Show.**
- **Ownership of animals should be dated no later than May 1 of the current year.**
- **Competition is open to all beef breed females, Purebred or Commercial, including cow/calf pairs (calf can be male or female). At the Supreme Show cow/calf must compete as a pair and calf must nurse in show ring.**
- **County Fair Supreme Champions are invited for competition at The New York State Fair in Syracuse, on Beef Day. Rules are also listed in the NYS Fair Book. All contestants will compete for "THE NEW YORK STATE SUPREME CHAMPION BEEF FEMALE". The cow/calf show will be held first, followed by the heifer show. ALL PICTURES WILL BE AT THE CONCLUSION OF THE WHOLE SHOW.**
- **This Special Event is a ONE DAY Show. All cattle need to be checked in and on display in the Supreme Show Area of the beef barn by 10:00 AM. The Supreme Show is scheduled to begin at 3:00 PM in the Beef Show Ring.**
- **You must participate in the Parade of Champions on Supreme Show day or you will be disqualified.**
- **During the NYS Supreme Show, once animals get off the trailer, they cannot get back on the trailer until the conclusion of the show.**
- **IAFE Code of Show Ring Ethics will apply.**
- **The rules at participating county fairs will apply when determining their female beef Supreme Champion. For those counties that don't have an open beef show, the youth beef show (including 4-H, FFA or exhibitors under 21 years of age) qualifies for the Supreme Show program.**
- **The Judges' decision will be the final decision. It is suggested that the county fair pick a Reserve Champion Supreme Female. In any case a Supreme can't make the Supreme Show the reserve to the said county fair can represent the county. For county fairs that have both Heifer & Cow/calf Supremes it is up to the county to pick which animal will represent their county at the NYS Supreme Show, the other supreme can then be an alternate.**
- **An individual beef female entry can only represent one (1) county fair (can only win one County Supreme award). In the event the same beef female wins again at another county fair, the judge must pick a Reserve Champion of the show, who will receive the awards and honors to compete at State Fair, representing that county fair in the State Supreme Show.**
- **An exhibitor can have numerous candidates in the State Supreme Show.**

*****Notice to Supreme Winners*****

All supreme winners must submit the Supreme Champion information- Name and contact information of the exhibitor and information on the Supreme Female, including name, DOB, breed, and a picture to: NYBPA Executive Secretary, nybeef@nybpa.org as soon as possible after the show so we can give out info and passes for getting onto the grounds at state fair.

Funded by Beef Farmers and Ranchers

Beef Checkoff Remittance for Local Beef Sales

For every head of cattle you sell, by law, \$1 goes to the Beef Checkoff for promotion, research, and education programs that help keep beef at the center of consumers' breakfast, lunch, and dinner plates. But did you know the Checkoff dollar is also due when you custom harvest your cattle and sell the beef? That's right. Even those dollars help fund initiatives like the iconic *Beef. It's What's For Dinner.* campaign, sustainability and beef safety research, nutrition messaging, and more.

SALE INFORMATION:

Date cattle harvested: _____ State of origin*: _____

of cattle harvested for beef sales: _____ x \$1 per head = \$ _____

Seller Name: _____

Phone: _____ Email: _____

Address: _____

City: _____ State: _____ ZIP: _____

Signature: _____

* State where cattle were located for the 30 days prior to harvest.

Please complete this form and mail your remittance check payable to:
